SUMMARY

Passionate Computer Science undergraduate with a good foundation in Java and Python. Interested in building real-world applications and improving problem-solving skills through hands-on projects and consistent practice on coding platforms. Quick learner with the ability to adapt to new technologies and contribute effectively in team-based development environments.

TECHINICAL AND BEHAVIORAL SKILLS

- Programming Languages: Java, C, Python.
- Web Technologies: HTML, CSS.
- Databases: MySQL, MongoDB.
- Good Communication Skills and good listener.
- Adaptability to situation.

EDUCATION

B. Tech in Computer Science and Engineering	2022-2026
--	------------------

Marri Laxman Reddy Institute of Technology and Management | **CGPA: 8.11**

Intermediate	2020-2022
---------------------	------------------

Narayana Junior College MPC | **Percentage: 87.8**

Secondary School (SSC)	2019-2020
-------------------------------	------------------

Narayana High School | **CGPA: 10.0**

CODING PLATFORMS

- [Leetcode](#)
- [HackerRank](#)

PROJECTS AND INTERNSHIPS

Spam Transformer Model for SMS Spam Detection

- Developed a deep learning-based spam detection model using Transformer architectures like BERT/GPT.

Real Time Chat Application

- A dynamic real-time chat application built with React, Node.js, Socket.io, and Tailwind CSS, deployed on Vercel, featuring instant messaging, secure user authentication, and a modern responsive UI for seamless cross-device communication.
- Real Time Chat Application: [Live Demo](#)

Deep Learning Internship at Central Institute of Tool Design (CITD)

- Gained hands-on experience in building and training deep learning models for real-world applications.

Google Android Developer Virtual Internship (EduSkills)

- Learned to design and develop Android applications using modern tools and best practices.

Java Full Stack Development (EduSkills):

- Acquired skills in developing end-to-end web applications using Java for both frontend and backend.

CERTIFICATES

- Introduction to MongoDB
- Smart Interviews - DSA Certification
